

# Privacy Policy of spanset.com

This Application collects some Personal Data from its Users.

## Owner and Data Controller

SpanSet GmbH & Co. KG  
Jülicher Straße 49-51  
52531 Übach-Palenberg  
Geschäftsführer: David Ehnimb, Hans-Josef Neunfinger, Patrick Schulte

**Owner contact email:** info@spanset.de

## Types of Data collected

Among the types of Personal Data that this Application collects, by itself or through third parties, there are: first name, last name, phone number, address, email address, password, company name, VAT Number, country, ZIP/Postal code, city, house number, language, various types of Data, billing address, shipping address, Usage Data, Cookies, fax number and field of activity.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Application.

Unless specified otherwise, all Data requested by this Application is mandatory and failure to provide this Data may make it impossible for this Application to provide its services. In cases where this Application specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools – by this Application or by the owners of third-party services used by this Application serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy, if available.

Users are responsible for any third-party Personal Data obtained, published or shared through this Application and confirm that they have the third party's consent to provide the Data to the Owner.

## Mode and place of processing the Data

---

### Methods of processing with

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Application (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the Owner. The updated list of these parties may be requested from the Owner at any time.

## Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes. Note: Under some legislations the Owner may be allowed to process Personal Data until the User objects to such processing (“opt-out”), without having to rely on consent or any other of the following legal bases. This, however, does not apply, whenever the processing of Personal Data is subject to European data protection law;
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof;
- processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner;
- processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

## Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Users are also entitled to learn about the legal basis of Data transfers to a country outside the European Union or to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

If any such transfer takes place, Users can find out more by checking the relevant sections of this document or inquire with the Owner using the information provided in the contact section.

## Retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to do so for the performance of a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right to access, the right to

erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

## The purposes of processing

The Data concerning the User is collected to allow the Owner to provide its Services, as well as for the following purposes: Registration and authentication, Managing contacts and sending messages, Advertising, Contacting the User, Analytics, Remarketing and behavioral targeting, Interaction with external social networks and platforms and Displaying content from external platforms.

Users can find further detailed information about such purposes of processing and about the specific Personal Data used for each purpose in the respective sections of this document.

## Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

- **Advertising**

This type of service allows User Data to be utilized for advertising communication purposes displayed in the form of banners and other advertisements on this Application, possibly based on User interests. This does not mean that all Personal Data are used for this purpose. Information and conditions of use are shown below.

Some of the services listed below may use Cookies to identify Users or they may use the behavioral retargeting technique, i.e. displaying ads tailored to the User's interests and behavior, including those detected outside this Application. For more information, please check the privacy policies of the relevant services.

In addition to any opt out offered by any of the services below, the User may opt out of a third-party service's use of cookies by visiting the [Network Advertising Initiative opt-out page](#).

### **Direct Email Marketing (DEM) (this Application)**

This Application uses the User Data to propose services and products provided by third parties or unrelated to the product or service provided by this Application.

Personal Data collected: email address.

- **Analytics**

The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

### **Google Analytics with anonymized IP (Google Inc.)**

Google Analytics is a web analysis service provided by Google Inc. ("Google"). Google utilizes the Data collected to track and examine the use of this Application, to prepare reports on its activities and share them with other Google services.

Google may use the Data collected to contextualize and personalize the ads of its own advertising network.

This integration of Google Analytics anonymizes your IP address. It works by shortening Users' IP addresses within member states of the European Union or in other contracting states to the Agreement on

the European Economic Area. Only in exceptional cases will the complete IP address be sent to a Google server and shortened within the US.

Personal Data collected: Cookies and Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#). Privacy Shield participant.

### **Analytics collected directly (this Application)**

This Application uses an internal analytics system that does not involve third parties.

Personal Data collected: Cookies and Usage Data.

### **Google AdWords conversion tracking (Google Inc.)**

Google AdWords conversion tracking is an analytics service provided by Google Inc. that connects data from the Google AdWords advertising network with actions performed on this Application.

Personal Data collected: Cookies and Usage Data.

Place of processing: United States – [Privacy Policy](#). Privacy Shield participant.

## **• Contacting the User**

### **Mailing list or newsletter (this Application)**

By registering on the mailing list or for the newsletter, the User's email address will be added to the contact list of those who may receive email messages containing information of commercial or promotional nature concerning this Application. Your email address might also be added to this list as a result of signing up to this Application or after making a purchase.

Personal Data collected: company name, Cookies, country, email address, first name, last name and Usage Data.

### **Contact form (this Application)**

By filling in the contact form with their Data, the User authorizes this Application to use these details to reply to requests for information, quotes or any other kind of request as indicated by the form's header.

Personal Data collected: address, city, company name, country, email address, fax number, field of activity, first name, last name, phone number, various types of Data and ZIP/Postal code.

## **• Displaying content from external platforms**

This type of service allows you to view content hosted on external platforms directly from the pages of this Application and interact with them.

This type of service might still collect web traffic data for the pages where the service is installed, even when Users do not use it.

### **Google Fonts (Google Inc.)**

Google Fonts is a typeface visualization service provided by Google Inc. that allows this Application to incorporate content of this kind on its pages.

Personal Data collected: Usage Data and various types of Data as specified in the privacy policy of the service.

Place of processing: United States – [Privacy Policy](#). Privacy Shield participant.

## • **Interaction with external social networks and platforms**

This type of service allows interaction with social networks or other external platforms directly from the pages of this Application.

The interaction and information obtained through this Application are always subject to the User's privacy settings for each social network.

This type of service might still collect traffic data for the pages where the service is installed, even when Users do not use it.

### **AddThis (Addthis Inc.)**

AddThis is a service provided by Clearspring Technologies Inc., which displays a widget that allows interaction with social networks and external platforms as well as sharing the contents of this Application. Depending on the configuration, this service can display widgets belonging to third parties such as the managers of social networks where interactions are shared. In this case, also the third parties that provide the widget will be informed of interactions and Usage Data on the pages where this service is installed.

Personal Data collected: Cookies and Usage Data.

Place of processing: United States – [Privacy Policy](#).

## • **Managing contacts and sending messages**

This type of service makes it possible to manage a database of email contacts, phone contacts or any other contact information to communicate with the User.

These services may also collect data concerning the date and time when the message was viewed by the User, as well as when the User interacted with it, such as by clicking on links included in the message.

### **MailChimp (The Rocket Science Group, LLC.)**

MailChimp is an email address management and message sending service provided by The Rocket Science Group, LLC.

Personal Data collected: company name, Cookies, country, email address, first name, last name, Usage Data and various types of Data.

Place of processing: United States – [Privacy Policy](#). Privacy Shield participant.

## • **Registration and authentication**

By registering or authenticating, Users allow this Application to identify them and give them access to dedicated services.

Depending on what is described below, third parties may provide registration and authentication services. In this case, this Application will be able to access some Data, stored by these third-party services, for registration or identification purposes.

## **Direct registration (this Application)**

The User registers by filling out the registration form and providing the Personal Data directly to this Application.

Personal Data collected: address, billing address, city, company name, country, email address, first name, house number, language, last name, password, phone number, shipping address, various types of Data, VAT Number and ZIP/Postal code.

- **Remarketing and behavioral targeting**

This type of service allows this Application and its partners to inform, optimize and serve advertising based on past use of this Application by the User.

This activity is performed by tracking Usage Data and by using Cookies, information that is transferred to the partners that manage the remarketing and behavioral targeting activity.

In addition to any opt out offered by any of the services below, the User may opt out of a third-party service's use of cookies by visiting the [Network Advertising Initiative opt-out page](#).

### **AdWords Remarketing (Google Inc.)**

AdWords Remarketing is a remarketing and behavioral targeting service provided by Google Inc. that connects the activity of this Application with the Adwords advertising network and the Doubleclick Cookie.

Personal Data collected: Cookies and Usage Data.

Place of processing: United States – [Privacy Policy](#) – [Opt Out](#).

## **Further information about Personal Data**

- **Payment Service Provider (Ingenico)**

You have the possibility to pay by credit card. The payment will be made via the provider "Ingenico". The involvement of Ingenico enables us to offer you payment by credit card. The payment will be handled directly via Ingenico. Ingenico is PCI-DSS approved. PCI-DSS is an information security standard developed by the major credit card companies (American Express, Discover, JCB, MasterCard and Visa) to improve controls around credit card handling and reduce fraud.

You enter your data on a TLS secured website of Ingenico. The purpose of processing the data in the payment process is to assess your application, to create and execute the contract and to process your payment. The legal basis for processing is Art. 6 para. 1 lit. b) GDPR.

Ingenico automatically checks whether a transaction can be performed. If Ingenico comes to the conclusion that a transaction is not possible, the payment can not be completed and the order process is terminated.

Upon successful transaction, the payment will be received directly from Ingenico, your payment details will not be transmitted to us. The provision of personal data is required for a contract. The failure to provide the data would mean that the contract can not be closed.

Further information on Ingenico can be found at <https://ingenico.com/payment-services>

- **Selling goods and services online**

The Personal Data collected are used to provide the User with services or to sell goods, including payment and possible delivery.

The Personal Data collected to complete the payment may include the credit card, the bank account used for the transfer, or any other means of payment envisaged. The kind of Data collected by this Application depends on the payment system used.

## The rights of Users

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent. Further details are provided in the dedicated section below.
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to be updated or corrected.
- **Restrict the processing of their Data.** Users have the right, under certain circumstances, to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right, under certain circumstances, to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance. This provision is applicable provided that the Data is processed by automated means and that the processing is based on the User's consent, on a contract which the User is part of or on pre-contractual obligations thereof.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

### Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection.

Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time without providing any justification. To learn, whether the Owner is processing Personal Data for direct marketing purposes, Users may refer to the relevant sections of this document.

### How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. These requests can be exercised free of charge and will be addressed by the Owner as early as possible and always within one month.

## Cookie Policy

This Application uses Cookies. To learn more and for a detailed cookie notice, the User may consult the [Cookie Policy](#).

## **Additional information about Data collection and processing**

### **Legal action**

The User's Personal Data may be used for legal purposes by the Owner in Court or in the stages leading to possible legal action arising from improper use of this Application or the related Services.

The User declares to be aware that the Owner may be required to reveal personal data upon request of public authorities.

### **Additional information about User's Personal Data**

In addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information concerning particular Services or the collection and processing of Personal Data upon request.

### **System logs and maintenance**

For operation and maintenance purposes, this Application and any third-party services may collect files that record interaction with this Application (System logs) use other Personal Data (such as the IP Address) for this purpose.

### **Information not contained in this policy**

More details concerning the collection or processing of Personal Data may be requested from the Owner at any time. Please see the contact information at the beginning of this document.

### **How “Do Not Track” requests are handled**

This Application does not support “Do Not Track” requests.

To determine whether any of the third-party services it uses honor the “Do Not Track” requests, please read their privacy policies.

### **Changes to this privacy policy**

The Owner reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page and possibly within this Application and/or - as far as technically and legally feasible - sending a notice to Users via any contact information available to the Owner. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom.

Should the changes affect processing activities performed on the basis of the User's consent, the Owner shall collect new consent from the User, where required.

### **Definitions and legal references**

#### **Personal Data (or Data)**

Any information that directly, indirectly, or in connection with other information — including a personal identification number — allows for the identification or identifiability of a natural person.

## **Usage Data**

Information collected automatically through this Application (or third-party services employed in this Application), which can include: the IP addresses or domain names of the computers utilized by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

## **User**

The individual using this Application who, unless otherwise specified, coincides with the Data Subject.

## **Data Subject**

The natural person to whom the Personal Data refers.

## **Data Processor (or Data Supervisor)**

The natural or legal person, public authority, agency or other body which processes Personal Data on behalf of the Controller, as described in this privacy policy.

## **Data Controller (or Owner)**

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of Personal Data, including the security measures concerning the operation and use of this Application. The Data Controller, unless otherwise specified, is the Owner of this Application.

## **This Application**

The means by which the Personal Data of the User is collected and processed.

## **Service**

The service provided by this Application as described in the relative terms (if available) and on this site/application.

## **European Union (or EU)**

Unless otherwise specified, all references made within this document to the European Union include all current member states to the European Union and the European Economic Area.

## **Cookies**

Small sets of data stored in the User's device.

---

**Legal information**

This privacy statement has been prepared based on provisions of multiple legislations, including Art. 13/14 of Regulation (EU) 2016/679 (General Data Protection Regulation).

This privacy policy relates solely to this Application, if not stated otherwise within this document.

Latest update: June 06, 2018
